

JOIN US IN CELEBRATING MARILYN HICKEY

A Life of Faith

1931-2026

It was always Marilyn's desire and expectation that her team, partners, and friends would pick up the mantle she has carried for over 50 years and continue God's mandate to cover the earth with God's Word long after she was called home to glory.

The following are some key prayer points her family and ministry team ask you join us in prayer over.

1. **Please pray for comfort, grace, and peace for Marilyn's family and the ministry team:** Though we rejoice that Marilyn is celebrating in glory with her Lord and Savior and with her beloved husband Wally, we feel the loss of her shining presence here on Earth. Please pray for God's loving comfort, grace, and peace to envelop her family and ministry team as they begin their journey through grief and healing.
2. **Pray for the Partners and Friends of Marilyn Hickey Ministries and the congregation at Encounter Church:** Marilyn's impact on her thousands of faithful partners and friends and the congregation at *Encounter Church* in Denver, Colorado was tremendous. Please pray for their hearts as they grieve this loss. Pray God's comfort and direction for each person and for joy to heal their hearts.
3. **Please pray for Isabell and Marilyn's ministry team as they lead us into the next chapter God has planned:** Please pray for the kingdom work to continue! Pray for Reece, Diane, and Isabell as they lead this ministry into its exciting and powerful future. Pray for direction, wisdom, and creative inspiration, as the ministry moves forward, continuing to cover the earth with God's Word.
4. **Please pray for the ministry team as they develop decades of Marilyn's teachings into lifechanging resources that will continue to powerfully impact generations to come.** Marilyn left us with a treasure trove of inspired teaching and insight from God's Word. These messages are powerfully relevant in our lives today. Please pray for the ministry team as they develop classic teaching resources that will reach and minister to people for generations to come.
